

Meadow Lakes Elementary performs two programs— Alaska 50th Anniversary Spring Program and *Peter Pan*

The Alaska 50th Anniversary Spring Program featured students in a musical history and tribute to the State of Alaska in honor of its 50th Anniversary of Statehood. **Meadow Lakes Elementary Principal, Carl Chamblee, and music teacher, Paula Davies,** welcomed parents and community members to a program which included selections about the Gold Rush, Alaskan animals, songs describing the natural beauty of Alaska's great land, the Iditarod Trail, and the "Alaska Flag Song". "Performing Native Alaskan song using drums they made and wearing kuspuks was a highlight. The students made and decorated their drums by using quilting hoops and airplane fabric," explained Davies.

The second program, *Peter Pan*, carried the audience to the enchanted Neverland, where children never grow up! The beloved characters of Captain Hook, the Lost Boys, pirates, Tiger Lily, the Mermaids of the Lagoon—Wendy, Peter Pan, and Tinkerbell came to tell the story.

Thank you!

The Alaska 50th Anniversary Spring Program was made possible by grants from the Mat-Su Schools Foundation and Delta Kappa Gamma.
